

Young Entrepreneur Network (YEN)

Empowering Visionaries. Enabling Ventures.

About Us

Young Entrepreneur Network (YEN) is a global, not-for-profit platform that unites aspiring entrepreneurs, seasoned business leaders, start up enablers, investors, and innovation partners into one cohesive ecosystem. YEN exists to **inspire, nurture, and support entrepreneurship** through all stages—from idea to scale to exit.

With a growing global footprint, YEN functions as a catalyst for entrepreneurship, fostering collaboration, mentorship, validation, and funding. It's a **community-driven initiative** that bridges the gap between inspiration and execution by providing the right people, tools, and resources.

Our Mission

To **ignite entrepreneurial spirit** across the globe and **build a support system** that helps entrepreneurs succeed—ethically, sustainably, and collaboratively.

Our Vision

To become the **world's most inclusive and impactful entrepreneurial network** that shapes the next generation of business leaders, innovators, and change makers.
